37/6 Market Road

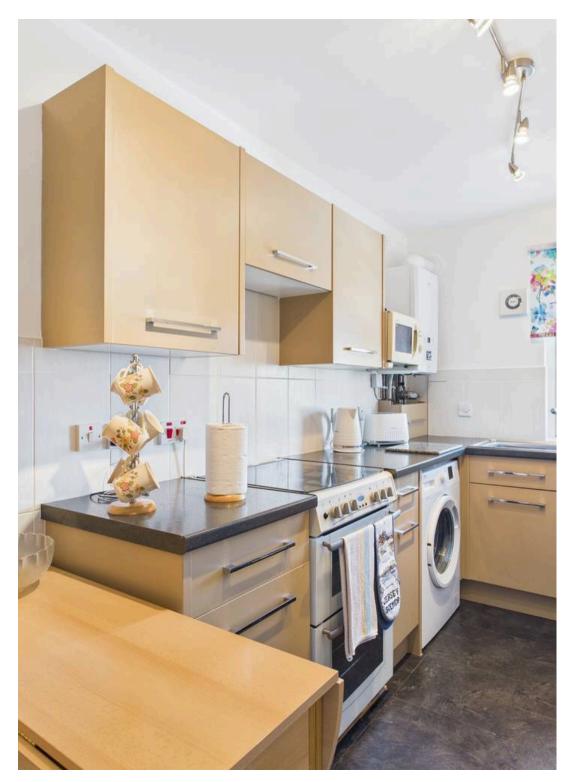

Carluke

This beautifully presented and generously sized first-floor twobedroom apartment is a rare find in today's market, making it an ideal choice for downsizers and first-time buyers alike. We highly recommend scheduling an early viewing to avoid missing out on this exceptional opportunity.

The apartment boasts a bright and spacious living room with stylish décor, a modern kitchen featuring ample base and wall-mounted storage, plenty of countertop space, and room for a selection of freestanding appliances. Both double bedrooms are generously sized and include built-in storage, while the contemporary bathroom is equipped with a WC, sink, and a bath with a shower over.

Externally, the property offers a large Monoblock parking area with two designated spaces, as well as two well-maintained drying greens.

Additional benefits include a convenient storage cupboard in the hallway, double glazing, and gas central heating, powered by a new combi boiler installed in October 2024.
