# PROPERTY INFORMATION QUESTIONNAIRE (PIQ)

## ABOUT THIS FORM

### Part A: Disclosure of material facts

#### **Getting the property 'market ready'**

The information which you provide must be accurate. Whether you are the owner of the property or represent someone who has died or is unable or unavailable to complete the form, the form should be completed as though the questions are being answered by the owner.

This form is required to ensure that the Consumer Protection from Unfair Trading Regulations 2008 are complied with during the marketing of the property and must be completed as accurately as possible. Under the Consumer Protection from Unfair Trading Regulations 2008 it is important to disclose anything that would materially affect the transactional decision of the average consumer.

If you do not know an answer to a question then that is fine but please provide as much information as possible and do not omit information.

The information will be used by the conveyancers representing yourself and the buyer during the conveyancing process and will support the sale of the property. If any of the information changes before you complete the sale then you should let your conveyancer know as soon as you become aware of the new information.

**Instructing your conveyancer now will mean that they can review the information which you have provided and help you resolve any title defects or replace missing documents. This will significantly speed up the sale and reduce the likelihood of the sale falling through.**

### Part B: Additional information required for the conveyancing process

#### **Getting the property 'sale ready'**

Whilst you only need complete the information in Section A to enable the property to be marketed, by completing Section B now you may save both time and money during the conveyancing process. Therefore we recommend that you complete all sections now.

## About this form

The aim of this form is to make clear to the buyer which items are included in the sale. It must be completed accurately by the seller as the form may become part of the contract between the buyer and seller.

**It is important that sellers and buyers check the information in this form carefully.**

## Definitions

- 'Seller' means all sellers together where the property is owned by more than one person.
- 'Buyer' means all buyers together where the property is being bought by more than one person.

# Instructions to the seller and the buyer

In each row, the seller should tick the appropriate box to show whether:

- the item is included in the sale ('Included');
- the item is excluded from the sale ('Excluded');
- there is no such item at the property ('None');

Where an item is excluded from the sale the seller may offer it for sale by inserting a price in the appropriate box. The buyer can then decide whether to accept the seller's offer.

A seller who inserts a price in this form is responsible for negotiating the sale of that item directly with the buyer or through their estate agent. If the seller or buyer instructs their solicitor to negotiate the sale of such an item, there may be an additional charge.

### Sellers and buyers should inform their solicitors of any arrangements made about items offered for sale.

If the seller removes any fixtures, fittings or contents, the seller should be reasonably careful to ensure that any damage caused is minimised.

Unless stated otherwise, the seller will be responsible for ensuring that all rubbish is removed from the property (including from the loft, garden, outbuildings, garages and sheds), and that the property is left in a reasonably clean and tidy condition.
