The Property

A true family home. Having been soaked in love and laughter by the family over many years, the house omits an almost spiritual warmth. Sat behind a two car driveway, the house with integral garage awaits. Internal accommodation includes, three bedrooms, two bathrooms and third shower cubicle to master bedroom, two reception rooms and eat-in kitchen. The property has been extended to the ground floor and this creates two sizable reception rooms full of natural light. Extra potential can be offered via the garage; if a fourth bedroom is sought then a conversion is possible. Features includes, wooden floor to reception rooms, log burner to lounge and neutral décor.

Outdoor Space

The rear garden is exceptional. South facing, 140 ft in length and 49 ft in width. Mature and complete with patio/landscaping. The plot measures some .22 of an acre.

The Area

Wallington forms part of the borough of the Greater London borough of Sutton. As Sutton borders Surrey, it has a blend of the relaxed Surrey vibe with the convenience and shopping experiences of Greater London. The initial draw for many will be the excellent local schools, which are varied and outstanding. Additionally, the area has two long and busy high roads and a train station serving London Victoria and London Bridge. Of the area, its considered that South Wallington is the most favoured postcode to live in and thankfully this property fits that brief. Nearby towns include Croydon, Banstead, Sutton and Carshalton.

Reasons To View

This property combines the best of both worlds; period features and inviting homeliness with an ideal location for all the best shops and restaurants Wallington can offer. The sellers have poured love, time, effort and energy into this house over many years.
