**WILLIAMS
HARLOW**

Williams Harlow Cheam – A homely and handsome three bedroom semi-detached house, presented in good condition and found in a sought after Wallington cul-de-sac. The excellent location serves all the best local schools, Wilsons and Wallington Girls to name just two, incredibly well.

The Property

Hitting all the right notes, the house has excellent kerb appeal. The handsome façade ensures it's a house to be proud of as does the light and spacious interior. Neutral décor works really well and the addition of an extended ground floor, kitchen and rear reception room, not only increases the size but also the practicality of use. The layout is easy to use and quite standard for 1930's builds. Through the porch into the entrance hall, stairs to first floor, two reception rooms to your left and the kitchen ahead. Three bedrooms, shower room and two separate toilets. There is potential to further extend if you want or wish to.

Outdoor Space

Complete with a driveway and a shared side access to the garage. The rear garden is a sizeable 92ft in length and benefits from years of care and attention. The patio leads onto the lawn which in turn reaches to end of the garden; a very mature and secluded spot. Lots of seasonal colour from the flower beds running alongside the lawn.

The Area

Wallington forms part of the borough of the Greater London borough of Sutton. As Sutton borders Surrey, it has a blend of the relaxed Surrey vibe with the convenience and shopping experiences of Greater London. The initial draw for many will be the excellent local schools, which are varied and outstanding. Additionally, the area has two long and busy high roads and a train station serving London Victoria and London Bridge. Nearby towns include Croydon, Banstead, Sutton and Carshalton.

Why You Should View

The location will be the initial draw, its proximity to the

high-street, train station and schools is excellent. However the house offers so more as a property and the home as is or further extended will be your nest for a generation to come.
