The Property

Full of natural light and character, this detached house offers handsome surroundings and views across the local park. The current layout of the property offers easy everyday use and a flowing continuity whilst there is also potential to easily extend should you wish. The four bedrooms are double sizes with the smallest measuring 8'4 x 8'11 and the accompanying bathroom, complete with roll top bath and wet room shower, is large and impressive. Internally the character is found in the wooden floors and picture windows and makes for welcoming yet impressive home.

Outdoor Space

100ft, that is the impressive rear garden length. It doesn't just offer size, the layout and design would have taken a lifetime to create its current form and it looks superb. With veg beds, patio, lawn, greenhouse and mature borders it has something for everyone. The front includes the brick block driveway to garage and pretty planting.

The Area

Wallington forms part of the borough of the Greater London borough of Sutton. As Sutton borders Surrey, it has a blend of the relaxed Surrey vibe with the convenience and shopping experiences of Greater London. The initial draw for many will be the excellent local schools, which are varied and outstanding. Additionally, the area has two long and busy high roads and a train station serving London Victoria and London Bridge. Of the area, it is considered that South Wallington is the most favoured postcode to live in and thankfully this property fits that brief. Nearby towns include Purley, Coulsdon, Sutton and Carshalton.

Why You Should View

A great all rounder with a touch of class both inside and out. The quiet tree-lined road, its setting and its proximity to the superb schools make this hard to beat.
