What the owner says...

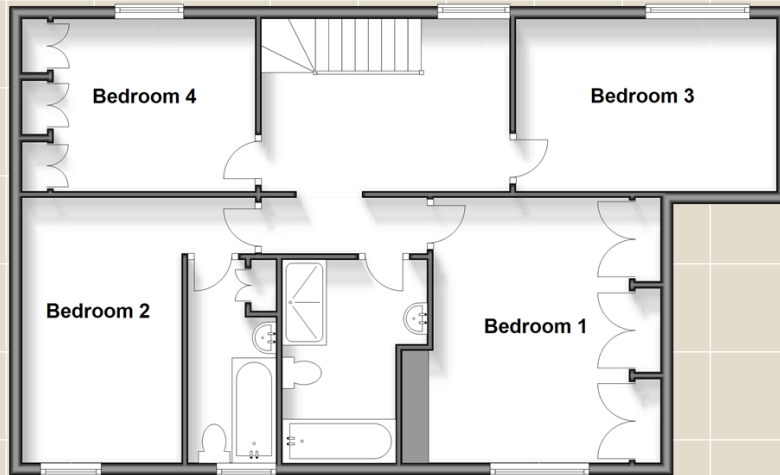

"The parish of Chale stretches along the south coast of the island and inland along a sheltered central valley to Chale Green. It is classified as an Area of Outstanding Natural Beauty (AONB), heritage coast and site of special scientific interest. The long boundary with the sea offers stunning views to the Needles, Tennyson downs and beyond, and the unspoilt wildness is widely considered a gem of the Isle of Wight landscape. What better way to enjoy this breathtaking landscape than along one of the many footpaths that abound this area.

This wonderful property is within easy distance of the renowned White Mouse Inn, which was once a favourite amongst both Royalty and smugglers alike, and now offers unrivalled views with great food and drink. A short drive will take you to the village of Niton, where you'll find great pubs, cafés and two convenience stores – one of which has a post office, as well as a GP surgery and pharmacy, plus a highly sought after primary school and nursery. The number 6 bus runs through Chale, which will take you to Ventnor – a lovely seaside town bustling with high-end restaurants and boutique shops - and to Newport - the island's principle town."
