Seller Insight

“ We built this home and designed the internal space ourselves twenty years ago and in that time it has been a happy home. The views are an everchanging tapestry, no matter whatever the season or weather conditions. Niton is a fantastic, friendly village that has everything required, including two great pubs, two lovely little cafés and two convenience stores – one of which has a post office – as well as a GP surgery and pharmacy. It will be hard leaving but it's time for another family to enjoy this wonderful home.*

North View

Ideally positioned in the centre of a very generous plot creating two, large driveways and wrap-around gardens, this stunning home is situated in the most idyllic location, surrounded by seemingly endless, rolling fields, with far-reaching views across the countryside to the English Channel. Built by the current owners, this modern, three bedroom property enjoys all the benefits of a contemporary living, wrapped up in all the charm and character of a stone built, country home.

Gorgeous, oak flooring flows seamlessly throughout the ground floor, where you'll find a huge kitchen, with ample worktops and cupboard space to cater to even the largest of families, which comes with space for a breakfast area for when more casual dining is preferred. Additionally, there is a separate dining room conveniently located adjacent, offering a stunning setting for gathering family and friends, with triple aspect windows flooding the room with light and giving a backdrop of sensational rural views. Across the wide, open hallway is a good sized lounge, boasting dual aspect windows and a large, attractive, multifuel burning stove. Further rooms on the ground floor include a cloakroom and utility room, with plenty of space for a washing machine and tumble dryer as well as serving as a boot room.

Ascend the gorgeous, oak staircase onto a delightful galleried landing and continue to the principal bedroom – a spacious double with more stunning far reaching rural views and a contemporary ensuite shower room. The second bedroom here is an oversized double; as on the original plans, it was two separate rooms and therefore could quite easily be converted back if required. The third double bedroom has triple aspect windows, with the south facing window offering a view of the sea beyond the rolling greenery in between. The sizeable family bathroom boasts a luxurious, roll top bathtub plus a separate shower cubicle and the all-important natural light illuminates the room via a large skylight.

The rear garden is an absolute delight, with a pleasant mix of lawn, mature plants and trees, a patio and pond. Additionally, there's a greenhouse, shed and a large shed that's currently used as a woodstore. And whilst there is copious parking available on the two driveways, there is also a substantial garage. Much care has gone into the design of this garage, and it includes an electric door for convenience, plus it has an impressive window wall overlooking the attractive garden, complete with an access door, suggesting it could lend itself well as a garden room should it be required. The front gardens have been beautifully planted with well stocked beds, a lovely vista to admire from the raised veranda at the front of the property.
