 FINE & COUNTRY

SELLER INSIGHT

“ We have lived at Bowlings for 16 years and have loved every minute of our time here. The location is wonderful: Freshwater Bay, Tennyson Down, Farringford House and gardens, and Orchards – the well-stocked local shop – are all just a short walk away. The village centre is easily reached on foot, and Yarmouth is also accessible via a scenic footpath that follows the beautiful River Yar estuary. There are superb walks over Tennyson Down to the Needles, offering breathtaking views across the Solent and the English Channel.

The house enjoys a lovely sense of privacy, set back from the lane with mature trees and hedging along the boundaries. To the rear there are far-reaching views over Afton Down, while to the front the fields of Farringford House create an attractive outlook.

We also treasure the regular visits from red squirrels and the wide variety of birds in the garden – a delightful extra gift of living here.*

STEP INSIDE

Bowlings

Set within an impressive plot of approximately 0.6 acres, this beautifully presented detached family home offers generous accommodation, extensive gardens and a sense of privacy rarely found. Approached via a large, gravelled driveway providing ample off-road parking, the property is surrounded by mature grounds that wrap elegantly around the house, creating a tranquil and welcoming setting.

The home was completely remodelled and refurbished around 15 years ago, resulting in a thoughtfully designed interior that combines modern comfort with practical family living. At the heart of the house lies a stunning kitchen and dining room, finished to a high standard and fitted with quality Miele appliances, including an induction hob, oven and warming drawer. Abundant work surfaces and well-planned wall and base units provide excellent storage, while the generous layout comfortably accommodates a family-sized dining table, making this a natural hub for both everyday life and entertaining.

Double doors lead directly from the kitchen into a delightful conservatory; an inviting space filled with natural light and offering picturesque views across the gardens. This area is ideal for summer dining, relaxing with a book or enjoying the changing seasons in comfort.

On entering the property, a substantial entrance porch immediately sets the tone, offering a sense of space and practicality with fitted cupboards for coats and shoes. The main sitting room spans the full depth of the house and is a superb triple-aspect room, flooded with light throughout the day and providing a versatile and welcoming environment for family gatherings or quieter evenings at home.

Further ground-floor accommodation includes a large utility room with sink and plumbing for appliances, a spacious boiler room, and a conveniently located cloakroom, ensuring the home is as functional as it is stylish.

The first floor is accessed via a beautifully light galleried landing, leading to three well-proportioned double bedrooms. The second bedroom benefits from a modern en-suite shower room, while the remaining bedrooms are served by an equally contemporary family bathroom.

Outside, the grounds have been thoughtfully arranged, with formal lawns, established borders, and a variety of shrubs and trees creating year-round interest. A lower tier of the garden features a large workshop and extensive vegetable plots, perfect for those with a passion for gardening or outdoor projects.

Located on the outskirts of the sought-after Freshwater Bay, this exceptional home enjoys immediate access to scenic coastal and countryside walks, offering a wonderful balance of rural charm, coastal beauty and comfortable modern living.
