A light and airy home much improved by the current owners and boasts four double bedrooms, conservatory, dual aspect fireplace, large gardens and driveway. Of course the property benefits from being fully double glazed and gas central heating. The well proportioned accommodation comprises; entrance hall, stunning "L" shaped kitchen/ dining room with integrated appliances, utility room, coat room, hall cupboards, bathroom with large rainforest shower, his and hers washbasins and vanity cupboards, bedroom two and three (both doubles with built in wardrobes. Dual aspect sitting room with central dual aspect fireplace, leading through to conservatory and study. Further hallway leading to master bedroom with en-suite and bedroom four. Outside the property is gated with long brick paved driveway. The rear garden is extensive with decked entertaining areas, two garden sheds and steps down to a lower garden area and to a stream. In our opinion this home is impressive to say the least and very much deserves a viewing to fully appreciate all this home has to offer.
