An exceptional three-bedroom house which has been beautifully enhanced and is brought to the market in excellent decorative order and with the benefit of no onward chain.

Situated on the edge of Axminster is a three-bedroom house which has undergone an extensive refurbishment program over the last two years, including a complete rewire and new gas central heating system. Benefits and accommodation include UPVC double glazing to most openings, a contemporary fitted kitchen, downstairs bathroom, cloakroom and two reception rooms. Upstairs there is a shower room and three bedrooms.

From the pavement the off-road parking leads up to the front elevation and a double-glazed door continues through the entrance porch into the main hallway. The two reception rooms are of a good size with feature fireplaces as a focal point. The modern kitchen is fitted with a built-in oven and hob with an extractor fan over, has space for a dishwasher with the plumbing for the washing machine located in the

bathroom. From the entrance hallway, stairs lead up to the first-floor accommodation where there are three bedrooms and a well-formed shower room.
