## THE PROPERTY

Hill View which faces in a south-easterly direction, was built in 1967 for the same family in whose ownership it remains to this day. It is block-built being largely rendered and colour-washed under a tiled roof and benefits from oil-fired central heating. There are a number of outbuildings of assorted sizes as can be seen from the floorplan.

## ACCOMMODATION

To the east-facing side of the house is the front door then the lobby which leads to the reception hall. On the left is the door from the integral garage whilst onwards are located the enormous sitting room and the large kitchen/dining/breakfast room. Then, to the west-facing elevation is the side lobby off which is the downstairs cloakroom and the door to the garden, grounds and outbuildings. Stairs from the reception hall lead to the generous landing off which are three double bedrooms and the bathroom.

## OUTSIDE

Hill View has extensive gardens and grounds around the house along with off-street parking for a number of vehicles in addition to the integral garage and a number of useful outbuildings.

## SITUATION

Hill View enjoys an essentially rural position but is also conveniently located for the bustling Market Town of Honiton which is less than two miles to the east. Of a similar distance is the A30 which is only about 13 miles from Sowton on the western fringes of Exeter and the M5.

## SERVICES

Mains electricity, water and oil-fired central heating. The current septic tank system will require replacement. Ultrafast broadband is available. Mobile Network Coverage: Limited/likely indoors and likely outdoors. Source: Ofcom.org.uk

## LOCAL AUTHORITY

East Devon District Council  
Tel: 01404 515616  
Council Tax Band F

## MATERIAL FACTS

1. The property is located within Flood Zone 3, an area with a high probability of flooding. Source -

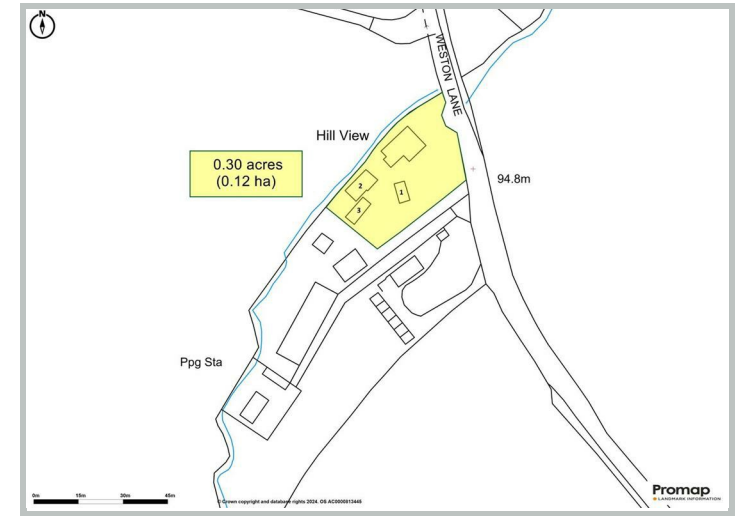

<https://flood-map-for-planning.service.gov.uk>. However, in nearly 60 years of ownership including the building of the house, we are advised there has never been a flooding incident. A copy of a Flood Risk Assessment by the Alcock Ward Partnership is available stating that in their professional opinion the property is unlikely to flood.
