SITUATION

Bickerton is a tiny hamlet of farm cottages, magnificently positioned in a completely unspoilt part of the South Hams, just inland from the old fishing village of Hallsands (most of which was destroyed by storms in the early part of the 20th century). Nearby is the dramatic headland of Start Point with its lighthouse, and the South Devon Coastal Path which passes mainly over National Trust land and leads to many unspoilt coves and beaches along this rugged and beautiful coastline. Villages that are close by are:

Stokenham with its own well-respected primary school, two village pubs, farm shop with café and micro brewery/bar.

Chillington which has more facilities than many similar villages in the area which include an Inn, post office/general stores and centrally located health centre.

South Pool with its award-winning Millbrook Inn and a 14th century church and is without doubt one of the most attractive and unspoilt villages in the South Hams lying at the head of a long creek off the Salcombe estuary.

Also within easy reach is the beach at Beesands with its historic inn, and a Café/Takeaway featuring locally caught fish.

Kingsbridge offers an excellent range of shops and supermarkets, local services and facilities which include a Sports Centre (with a competition-size indoor swimming pool), primary and secondary schools, health centre and cottage hospital.

From The House there are extensive walks and nearby boating opportunities in the Salcombe estuary and Dart. Slapton Ley Nature Reserve is close by and offers excellent bird watching.

Further places to visit include the historic town of Dartmouth, naval ocean city of Plymouth and Roman Exeter.
