SITUATION

Ford is a peaceful, picturesque hamlet set within beautiful rolling South Hams countryside, with lovely walks all around. The nearest village is South Pool, approximately a 15 minute walk away, recently voted the number one prettiest village in the UK (CM Traveller). With its award-winning Millbrook Inn, a 14th century church and a thriving local community, South Pool is without doubt one of the most attractive and unspoilt villages in the South Hams. Nestled in the folds of rolling South Hams farmland, it lies at the head of a long creek off the Salcombe estuary which itself provides access to the water (tides permitting) and offers extensive walking and bird watching opportunities.

The wonderful sandy beaches of Millbay and East Portlemouth are within ten minutes driving distance where a regular ferry service can take you across the water to Salcombe. This is Devon's southernmost town with a beautiful harbour, estuary and excellent range of fine shops, restaurants and inns etc. The area around South Pool, classified as an Area of Outstanding Natural Beauty or AONB, offers wonderful country and cliff top walks, whilst Kingsbridge, only five miles away, offers a varied range of shops, services and facilities.
