SITUATION

Set on the outskirts of the village of Sherford, a tranquil village just a mile or so to the north of Frogmore and the A379 Kingsbridge to Dartmouth road. It has an active community based partly on its modern village hall and the 14th century church. Close by is the village Frogmore situated at the head of Frogmore Creek, an arm of the Salcombe estuary. The village has a lively community with activities hosted at the village hall, an annual regatta and it is also home to The Globe Inn and Swell Devon cafe/deli. The public slip in the middle of the village allows direct access to the water and makes Salcombe reachable in around 20 minutes. There are excellent countryside and Creekside walks and the bus service is on the Kingsbridge to Dartmouth route. Just over 2 miles away is the market town of Kingsbridge, which lies at the head of the Salcombe estuary and is surrounded by beautiful rolling countryside. It offers an excellent range of shops, local services and facilities which include a Sports Centre (with a competition-size indoor swimming pool), primary and secondary schools, health centre and cottage hospital. The sailing town of Salcombe is 6 miles away whilst Totnes, with its main line train station and good connectivity to London, and Dartmouth are both within easy reach.
