SITUATION

The property lies in a rural location to the north of Chillington with a village shop, post office and health care centre. The village of Stokenham is just over 1 mile away, where you will find the Traders Arms and the Church House Inn, both of which serve good food. The hugely popular Stokenham primary school has a very good reputation, along with a church and a farm shop, cafe and The Tap House at Stokeley. Kingsbridge is situated four miles to the west, at the head of the Salcombe estuary and offers an excellent range of independent shops, supermarkets and local facilities including a health centre/cottage hospital as well as a secondary school, and sports centre.

From the property, there is a fantastic walk of about 1 mile which passes the Bear and Blacksmith pub and leads to the village shop. The village of Stokenham is a further 1½ mile walk from the property, and the beaches at Beesands and Torcross are nearby.

DESCRIPTION

The Old Hayloft, as its name suggests, was once the hayloft to the main farmhouse. Converted around 50 years ago, the Victorian barn retains many original features and has been significantly improved and carefully maintained by the vendor's family during their years of ownership. Unusually for a barn conversion, the property benefits from a large private gravelled parking area together with exceptionally well-planned and well-flowing accommodation.

ACCOMMODATION

From the gravelled parking area, the entrance door is centrally positioned at the front of the property and opens into the attractive dining room. This welcoming space features exposed floorboards and ceiling timbers, a large window overlooking the garden, stairs rising to the first floor, and doors leading into the well-fitted kitchen.

The kitchen is fitted with a range of base and eye-level units. The oil-fired boiler is also located here. A stable door provides access to the rear garden.

A pair of doors lead from the dining room into the superb, light-filled sitting room, sympathetically added to the property approximately 25 years ago. This impressive space enjoys full-height glazed windows, substantial roof lights, and an additional set of double doors, allowing natural light to flood the room. A wood-burning stove, set on a slate hearth, creates a warm and inviting focal point.

An attractive pine staircase rises from the dining room to the first-floor landing, giving access to three bedrooms, the airing cupboard, and the family bathroom. The principal double bedroom benefits from the original hayloft door which opens out onto the external stone steps which lead down to the courtyard garden. All bedrooms feature Velux windows, ensuring good natural light throughout.

Bedroom two is a comfortable double, currently arranged as a single, and sits adjacent to the family bathroom, which is fitted with a Mira Sport electric shower over the bath. At the far end of the landing, beyond the airing cupboard is a third bedroom. This double sized room is currently arranged as a twin with two single beds.

GARDENS AND GROUNDS

The rear terraced lawned garden can be accessed either through the stable door from the kitchen or through the archway from the gravelled drive. The garden is exceptionally well maintained, featuring a part-sloping lawn with three slate steps leading up to a further lawned area. A garden fence screens the oil tank and provides access to a useful storeroom at the side of the house, with a concrete floor, open to the eaves, and currently used for storing garden machinery with space for a tumble dryer. This building offers potential for further adaptation if required.

To the front of the property is a large, private gravelled parking area with space for at least five vehicles. This attractive area is bordered by the original stone wall and retains its privacy with a five-bar timber gate. Whilst the main lawned garden is to the rear, the front also provides an appealing seating area within the gravelled section. This space enjoys added privacy from a well-placed fence and is enhanced by low stone wall beds stocked with a variety of plants.
