The County Market town of Taunton is 23 miles to the east and offers a further wide range of shops and amenities, several highly sought after independent schools and is also on the main line to London Paddington. The dramatic North Somerset and Devon coastlines are also easily accessible with ample opportunity for sailing and some of the best surfing in the country.

DESCRIPTION

North Glebe is a immaculate four bedroom property that presents highly attractive character accommodation with many of the original features retained. The property has been refurbished and extended to provide a further kitchen/living room with a double bedroom and en suite shower room, which could easily be an annex (subject to any necessary planning permissions). It is complemented by its mature and delightful gardens with magnificent views across the surrounding Exmoor countryside, parking and a garage. With the PV panels on the roof the running costs of the property are low.

ACCOMMODATION

Double glazed doors lead into an enclosed porch which in turn lead into the inner central hallway. The double aspect sitting room is a light and airy room with feature fireplace with slate hearth inset with the wood burning stove. The kitchen/breakfast room is also double aspect with oak flooring and is well fitted with a range of wall and base units, integral oven, hob, fridge and dishwasher. The dining area is very spacious with room for a large table and sofa. Leading off the hall is a cloakroom and utility/boiler room. There is a further kitchen/living room with doors to the front and rear. This is beautifully fitted with a range of wall and base units, tiled flooring and space to put in a lift to the bedroom above. This part of the house could be used as a separate annex subject to any necessary permissions required.

Stairs from the hall way lead to the first floor to a attractive landing with beams. The master bedroom suite is a generous sized double aspect room with beam ceiling, fitted wardrobes and adjacent shower room. There is a further double bedroom with an en suite shower room, fitted wardrobes and access to a decking area. There are two more double bedrooms.

OUTSIDE

The property is approached via a shared drive with four other properties, which leads to a parking and turning area with a garage to the side. To the front of the house is a lovely patio from which to sit and enjoy the countryside views. There is a further large garden the other side of the drive. The gardens are a particular feature of this property and include several seating areas and a Pergola from which to enjoy views over the surrounding countryside.
