SITUATION

Three Gates occupies the most wonderful setting on the edge of Luccombe within Exmoor National Park. Luccombe is a delightful village with many period properties and a 14th century church. Almost all of the properties are National Trust owned which gives the unique charm of heritage architecture set against the stunning background of Exmoor.

The surrounding countryside offers endless opportunities for walking and riding from the village to the moor, Horner and the river. The picturesque village of Porlock is just 3 miles away and Minehead only 4 miles, with its comprehensive range of shops, schooling and entertainment facilities. Dunster, 6.5 miles away, is a beautiful medieval village set within Exmoor National Park boasting its own Castle and a Medieval Yarn Market. The County Town of Taunton is approximately 28 miles away and the Cathedral City of Exeter lies approximately 40 miles south of the property. Both provide good recreational and retail facilities as well as access to the M5, fast rail links and flights from Exeter Airport.
