SITUATION

The barn and land are situated within an accessible part of North Devon, a short distance to the south-west of Batsworthy Cross and lies at about 245 metres above sea level. The wind turbines at Batsworthy Cross are nearby.

The market town of South Molton lies approximately 7.5 miles to the north-west and the larger town of Tiverton lies 11.5 miles to the south-east. The A361 (North Devon Link Road) can be accessed at Moortown Cross which is within 1.6 miles of the land.

DESCRIPTION

The building sits within a plot of approximately 2.26 acres (0.91 hectares) and has views to the south over rolling countryside. Access to the North Devon Link Road (A361) is within 1.6 miles.

The building now has planning consent for change of use and conversion to a light industrial business use (Class E(g) which includes offices, research and development and light industrial processes.

The building is constructed with a steel portal frame, enclosed on three sides with box profile metal sheeting which also

covers the roof. The building is currently divided into two sections (approximately 19.14m x 8.98m and 12.41m x 7.73m) and has an earth floor.

The land available with the barn is either level or very gently sloping and forms part of a larger field. A new fence will need to be erected by the purchaser along the southern boundary.

SERVICES

There are no services currently connected to the land. We understand that mains water may be available at Batsworthy Cross but purchasers must make their own enquiries.

ACCESS

Access to the land from the public highway is via an unrestricted right of way over the area shown coloured brown on the land plan. The right of access will be at all times and for all purposes, with or without vehicles.

METHOD OF SALE

The property is offered for sale by private treaty, as one lot.

TENURE

The property is owned freehold and is registered on the Land Registry. Vacant possession will be available from the completion date.

PLANNING

Planning consent has been approved for the conversion and change of use of the existing building to a light industrial business unit. The planning reference is: 79720 and the decision date was the 27th May 2025.
