Situation

The Green is located in the heart of the much sought after small town of Chulmleigh and is set just across from the Parish Church. The town is set on the eastern side of the highly attractive Taw valley amongst some of Devon's most spoilt countryside. The town has a thriving community and offers excellent day to day facilities including post office, shops, churches, good primary and senior schooling and popular 18 hole short hole golf course.

The larger market town of South Molton is about 12 miles to the north and offers a further range of amenities. About 21 miles to the east is Tiverton and Junction 27 on the M5 is a further seven miles where there is also a station on the Paddington line at Tiverton Parkway. To the south, the Cathedral City of Exeter is about 25 miles and also offers direct access onto the M5 motorway as well as an airport and main line railway station with intercity rail service to London Paddington. There is also a sprinter branch line service running along the Tarka Line from Exeter to Barnstaple through Eggesford or Kings Nympton station within a short distance of the property.

Description
