The thriving market town of South Molton is five miles and offers an excellent range of shops and amenities including schooling to secondary level and weekly pannier and stock markets. The town is bypassed by the A361 North Devon Link Road which provides an excellent link to the North Devon regional centre of Barnstaple to the west and Tiverton and the M5 (Junction 27) to the east. There is a main line railway station at Tiverton Parkway with an intercity service to London Paddington (just over 2 hours) and there is also a train station on the Barnstaple to Exeter 'Tarka Line' about two miles away at Kings Nympton Station. The small town of Chulmleigh is about four miles to the south and has an excellent community spirit together with a good range of amenities including various shops, a post office, health centre, dentist, pubs and a church, primary and secondary schooling.
