Situation

The Laurels is set on the western edge of the popular rural village of Kings Nympton which has an excellent public house, The Grove Inn, primary school, church and village hall and is set amidst unspoilt rolling countryside. The area offers a wealth of outdoor pursuits including walking, riding, cycling and fishing on the rivers Mole and Taw. There is also a train station on the Barnstaple to Exeter Tarka line about two miles away at Kings Nympton Station.

The small town of Chulmleigh is only four miles and has schooling to secondary level at Chulmleigh Academy, medical centre and a range of shops. The larger market town South Molton is five miles which offers a good range of facilities and amenities including medical centre, schooling to secondary level and weekly pannier and stock markets. The town is bypassed by the A361 North Devon Link Road which provides an excellent link to the North Devon regional centre of Barnstaple to the west and Tiverton and the M5 (Junction 27) to the east. There is a main line railway station at Tiverton Parkway with an intercity service to London Paddington (just over 2 hours).
