Situation

12 Duke Street is situated at the heart of the much sought-after market town of South Molton. The town offers a comprehensive range of amenities including schooling from nursery to secondary level, Sainsbury's supermarket, Post Office, banking facilities, pubs, cafes and an abundance of independent and artisan shops. The town also bustles when the popular twice weekly, award-winning pannier market and weekly stock markets take place.

The A361 bypasses the town and provides brisk passage to Barnstaple and the North Devon coast to the west and the M5 and Tiverton Parkway train station (London Paddington 1h 57m) to the east.

Description

12 Duke Street is of stone construction beneath a slate roof, it is believed to date from the early 19th Century and offers adaptable and substantial accommodation over three floors. The property previously accommodated a dental practice and is currently classified as 'commercial' but could be reclassified as 'residential' (stp). The building requires complete renovation throughout but does offer a fantastic opportunity for conversion, either into a grand and spacious family home or two or three smaller properties (stp). There is an enclosed walled garden at the rear. The property is complemented by some period features and has the benefit of a Grade II listing.
