Situation

Moorland View is set in the very popular village of North Molton, which sits in the south western foothills of Exmoor National Park and only a short distance from the A361 North Devon Link Road. The village has a thriving community and offers a very good range of amenities including a good community shop, primary school, village hall, garage, excellent sports club and public house along with many groups and societies.

The local market town of South Molton is approximately three miles and provides an excellent range of further amenities including schooling to secondary level, weekly stock and pannier markets and Sainsbury's supermarket. The A361 provides an excellent road link to the regional centre of Barnstaple to the west and to Tiverton and the M5 (Junction 27) to the east where there is a railway station at Tiverton Parkway on the London Paddington line. The boundary of the Exmoor National Park, renowned for its spectacular scenery and excellent opportunities for walking, riding and fishing, is about a mile away from the property and the impressive North Devon coastline with its steep cliffs and wide sandy beaches is also within easy reach by car.
