DESCRIPTION

This desirable house has been built to a high specification by Stevens Homes Ltd, who boast beautifully appointed, energy efficient homes. Just three years old, we would describe this as 'better than a new' - no snagging, quality flooring throughout, nicely decorated and with a loved/finished rear garden - there are no hidden extras to factor in and you have the benefit of the remainder of the Constructors warranties. Our vendors have created a lovely family home. Every room to the front of the house has countryside glimpses across the hills. In brief, the property comprises entrance hallway, kitchen/dining room, large sitting room, galleried landing, three very generous bedrooms, two bathrooms, enclosed rear garden and two private parking spaces.

ACCOMMODATION

Upon entering, the quality is clear to see with a spacious entrance hallway with doors to all principal rooms. Click vinyl wood effect flooring flows throughout the whole ground floor. There is a surprisingly large amount of storage for a new build property, which is quite rare. Off of the hallway is the cloakroom and stairs to the first floor. The sitting room is the full depth of the property and offers a flexible, generous, light space with window to the front and French doors to the garden. The kitchen/dining room again is dual aspect and the full depth of the house, so plenty of space for family living. The modern units are finished with brushed gold door furniture and topped with marble effect worksurfaces. Twin inset stainless steel sink, integrated oven, gas hob and extractor. Spaces for washing machine, fridge freezer and dishwasher. Spot lighting. Upstairs the stairwell and galleried landing are extremely light with window to the rear. The two bedrooms at the front of the house have countryside views over rooftops, across the Culm Valley and Gaddon Woods. The master bedroom is a great size and has a very nicely finished, modern en-suite shower room. Bedroom two is another generous double room to the front of the house.

Bedroom three is to the rear and presently used as a peaceful office space but again, a generous single. The family bathroom has a modern white suite, with shower over the bathtub, WC and wash hand basin. Window to side and towel rail.

OUTSIDE

Our property is tucked off of the main throughfare in a cul-de-sac, benefitting from two off road parking spaces to the front and some really attractive, well tended shrub borders. A wrought iron gate leads to a gravelled side return with a useful shed and pathway to the rear garden. Our vendors have created a lovely rear garden here from nothing. It has been levelled and turfed, with a lovely seating area to one end to enjoy the evening sunshine. The whole garden is enclosed, making it safe for children and pets and edged with climbing rose bushes which are a real picture in the Summer.

SERVICES

Mains electricity, gas, water and drainage. This property has the benefit of ultrafast broadband(Ofcom). Mobile coverage likely inside and outside with EE, limited inside and outside with Three, O2, and Vodafone (Ofcom).
