ESCAPE EXPLORE ENJOY

Located above the picturesque village of Lynmouth and surrounded by the breath-taking scenery of Exmoor National Park; Tors Park is a new development of 36 luxury apartments designed with style and character to reflect this stunning coastal location.

Originally built in a baronial style, featuring conical towers, decorative window gables and tall casement windows; the building has been inspirationally restored to create a wondrous place to live.

The design respects the heritage of the original building, whilst at the same time creating exclusive apartments for those seeking a modern, coastal haven.

This magnificent, cliff-side location is nestled against the rugged Exmoor coastline, with wonderful, wooded grounds and has spectacular, panoramic views of Lynmouth harbour.

With sustainability at the heart of design, the development has sympathetically incorporated eco-friendly features, such as solar panels and electric car charging points.

ELEGANT AND CONTEMPORARY, THE APARTMENTS ALL FEATURE PRIVATE BALCONIES OR TERRACES...

...FROM WHICH TO ENJOY THE OUTSTANDING VIEWS.

The stylish Tors Park apartments are a haven in themselves, nestled in an imposing cliff top position, offering panoramic sea views.

This is a place where you can reconnect with yourself, the people around you and with nature. Lynmouth provides an escape from modern living, with its rows of charming fishing cottages and shops, cafes and restaurants that cluster around the pretty harbour.

Lynmouth is a joy for walkers, with the dramatic coastline, open moors, secluded river valleys and wooded areas to discover. Several hundred miles of footpaths, tracks and trails can be explored along this rich and varied landscape.

ENJOY

Exmoor National Park offers a tranquil wilderness, where coast meets country. This is a place to treasure, where the Exmoor ponies roam and expansive moors can be discovered.

There is a vast array of wildlife and vegetation in the area found nowhere else in Britain. Designated a 'Dark Skies Reserve', Exmoor has some of the darkest skies in the UK, perfect for stargazing.

THE APARTMENTS
