## SITUATION AND AMENITIES

Huntington & Hillsview are situated in a private elevated position on the edge of the popular coastal village of Combe Martin and enjoy breath taking views over the village towards the Bristol Channel, with the South Wales coastline in the far distance.

Combe Martin is within the North Devon AONB and is well known for its striking rugged cliffs and coves. It is situated on the dramatic North Devon Coastline and on the western fringes of Exmoor National Park. The village enjoys a fantastic range of amenities including cafes, public houses, restaurants, butchers and a small supermarket to name a few. A regular bus service provides access to Braunton, Ilfracombe, Minehead and the Regional Centre of Barnstaple, which is about 11 miles to the south and offers the area's main business, commercial, leisure and shopping venues as well as North Devon District Hospital. At Barnstaple there is access to the A361 North Devon Link Road which leads on to Junction 27 of the M5 Motorway, where Tiverton Parkway also offers a fast service of trains to London, Paddington, in just over two hours. In April 2022 North Devon became the first place in the UK to be selected as a World Surfing Reserve (WSR). It joins a list that includes Malibu and Santa Cruz in California, the Gold Coast and Manly in Australia. North Devon's famous surfing beaches at Croyde, Putsborough, Saunton (also with championship golf course) and Woolacombe, are all within about 10 miles.

The Exmoor National Park provides endless bridleways and footpaths for those who wish to ride and walk and appreciate the dramatic rugged coastline and countryside.

## DESCRIPTION

A rare opportunity to acquire a pair of attached newly converted holiday barn conversions situated in a fantastic elevated position enjoying stunning countryside and coastal views over Combe Martin and out to sea. In 2016 North Devon council approved the conversion of this former agricultural building into two luxury holiday homes. The property has now been completed and offers stunning contemporary accommodation in a fantastic quiet and rural setting. Both properties are of a mirror image of each other with spacious open plan living areas and kitchens, large downstairs bathrooms, underfloor heating (air source heat pumps) and two bedrooms on the first floor with separate WC's and dressing areas. Externally there is gated and fenced extensive stone chipping parking area, communal garden areas and two good sized garden sheds ideal for outdoor storage (10' x 10' & 6 x 4'). Also, as part of the property there is 6 acres of sloping pasture which can be accessed via the property's grounds or via a separate access. The property is ideal for buyers looking for a holiday home that could accommodate two families or simply keep one as your own holiday home and holiday let the other. Properties like Huntington and Hillview rarely become available to the open market therefore we highly recommend an early viewing. The accommodation, with approximate dimensions, is identified on the accompanying floorplan.
