SITUATION AND AMENITIES

Set within the heart of the village and within walking distance of the beach where you will find excellent rock pools, paddle boarding and kayak school, shops and amenities, including primary school, post office, health centre, restaurants and public houses. The village itself is well known for its striking rugged cliffs and coves, situated on the dramatic North Devon Coastline and South West coastal footpath, on the western fringes of Exmoor National Park. Further afield, you can find the twin villages of Lynton and Lynmouth, connected by the famous funicular cliff railway, the Valley of the Rocks with its stunning sea scenery and views across the estuary to Wales. Also not to be missed, is a ride on the old Barnstaple railway over parts of Exmoor National park. A regular bus service provides access to Braunton, Ilfracombe, Minehead and Regional Centre of Barnstaple, which is about 11 miles to the south and offers the area's main business, commercial, leisure and shopping venues as well as North Devon District Hospital. At Barnstaple there is access to the A361 North Devon Link Road which leads on to Junction 27 of the M5 Motorway, in about 45 minutes and where Tiverton Parkway also offers a fast service of trains to London, Paddington, in just over two hours. North Devon's famous surfing beaches at Croyde, Putsborough, Saunton (also with championship golf course) and Woolacombe, are all within about ½ an hour by car.
