SITUATION & AMENITIES

Raleigh Park is a quiet, little used country lane on the semi-rural outskirts of Barnstaple, close to North Devon District Hospital. The property therefore benefits from the best of both worlds, being on the outskirts of the town in pleasant semi-rural surroundings enjoying fine views across the town, as well as into an open valley to the rear, yet is on a regular bus route and within 5 minutes’ walk of the hospital itself, and also within easy access of Pilton village and its excellent infant, junior and secondary schools. Barnstaple town centre is approximately 5 minutes by car or a healthy walk. As the regional centre Barnstaple houses the area’s main business, commercial, leisure and shopping venues. The town is also well known for its exclusive range of outlets, including all of the high street favourites, as well as a diverse selection of local stores. The Pannier Market dates back to the Saxon period and trades in general goods, local crafts and collectables. The Tarka Leisure Centre provides many indoor pursuits. There is also access at Barnstaple to the North Devon Link Road (A361), which leads through in about 45 minutes to Jct.27 of the M5 motorway, and where Tiverton Parkway also offers a fast service train to London Paddington in just over 2 hours. The North Devon coast, and in particular the sandy surfing beaches of Instow, Croyde, Saunton (also a Championship Golf Course), Woolacombe and Putsborough are about 20 minutes by car. Exmoor National Park is also easily accessible. The nearest international airports are at Bristol and Exeter.

DESCRIPTION

Glenfield presents painted rendered elevations, partially clad in UPVC with UPVC soffits and facias for ease of maintenance, with double glazed windows beneath a slate roof. The property was built as new in 2008 and has not entered the market since. The house offers bright, spacious and versatile accommodation, which exudes flair and quality. Included in the sale are many unusual bespoke fittings and the vendors are generously including all fitted carpets, curtains and white goods. A baby grand piano is included in the sale and some of the other contents are available by separate negotiation, if required. The DOUBLE DETACHED GARAGE with STUDIO/OFFICE above adds a further dimension, and could possibly be converted into a separate annexe or AirB’n’B etc, subject to planning permission being obtained. There is ample additional parking and well-tended mature secluded gardens. This is a property which certainly needs to be viewed internally to be fully appreciated.
