SITUATION & AMENITIES

Higher Rookabear and The Old Granary, enjoy the best of all worlds, being well detached, at the end of a 'no through' country lane, on high ground, enjoying far reaching views over open countryside, across Barnstaple, the Taw Estuary, towards Saunton and out to Hartland Point in one direction, and across to Exmoor in the other. At the same time the property is just over three miles from Barnstaple town centre, and just over 1 ½ miles from Roundswell, where local amenities include a Sainsbury's supermarket. Barnstaple houses the area's main business, commercial, leisure and shopping venue, as well as live theatre and District Hospital. In the opposite direction, the small market town of Bideford is around six miles. Instow, one of North Devon's premier estuary and coastal villages, renowned for its beach, The Taw Estuary and Yacht Club is around three miles. Within round 30 minutes by car are the favoured sandy, surfing beaches of Croyde, Puttsborough, Saunton (also with championship golf course) and Woolacombe, as well as Exmoor National Park. The North Devon Link Road is nearby and affords access through to Tiverton, in around 45 minutes or so, and from where dual carriageway access leads to Junction 27 of the M5 motorway. There is also the Parkway railway station from where London (Paddington) can be reached in just over two hours. The area is well served by excellent state and private schools including the notable West Buckland School. The nearest international airports are at Bristol and Exeter.

DESCRIPTION

The 'estate' comprises a number of components, which include; Higher Rookabear: a substantial detached period farmhouse, which presents painted rendered and brick/stone elevations beneath a slate roof. The property is Grade II listed of architectural and historic importance and displays some notable period features which include exposed beams, feature fireplaces and an impressive, ornate, early English plaster over mantle. The accommodation is well presented and arranged over two floors. The house is set in well-tended gardens, with an established orchard.

The Old Granary is a superb, detached barn conversion presenting elevations of painted render and exposed stone, with double glazed windows and doors throughout, beneath a slate roof. The barn was converted around 2019 by the current owners, to a high specification. The planning reference under North Devon Council is 62947 and this current consent states "The development hereby permitted, should not be used otherwise than for the provision of short let, holiday accommodation. The property shall not be occupied as a permanent dwelling and shall not be occupied by any one person for a period exceeding 28 days in any calendar year." This produces a healthy income and the majority of the contents are available subject to negotiation. From the barn there are fine, uninterrupted views over open countryside towards Barnstaple in the distance.

The Milking Parlour and store have consent under North Devon Council planning reference 62700 (decision date 11th August 2017), for conversion to form one unit of holiday accommodation, which would provide for two bedrooms etc. We understand that works have been commenced and that this consent is therefore likely to be protected ad infinitum.

Other outbuildings include a stable block and detached stone store. Otherwise, there are two very substantial, modern, Atcost, or similar, barns which can be separately accessed and may have potential, if made redundant, for conversion to additional residential accommodation (subject to any necessary planning permission being obtained).

Other than the gardens there are two pasture fields and in all the grounds amount to around 4.7 acres.

All in all, the property would appear to lend itself to a variety of potential uses, including multi-generation family use (if the consents on the secondary units are tweaked), a small holiday complex, equestrian, wedding venue, retreat etc. Furthermore, there appears to be potential for further development subject to necessary consents.

The property is approached by its own private driveway and has designated lit parking for up to three vehicles.

OUTSIDE

Nearest to the front of the main farmhouse, a herringbone brick drive/courtyard provides ample parking and turning space. Nearest to the house is a GARDENERS WC, DETACHED STONE STORE and the FORMER STABLE BLOCK. Directly opposite the house is the DETACHED SINGLE-STORY FORMER MILKING PARLOUR which currently incorporates garaging, workshops and stores. The GARDENS are mainly arranged to the rear of the house. There is a large TERRACE above which has a well-stocked border with stone retaining wall and raised oil tank. There are then sweeping lawns, a deep bank of trees and shrubbery, two separate five bar gates leading onto a green lane in the ownership of the property. Beyond the garden is a well-tended ORCHARD. Adjacent to the garden fence is yet another five-bar gate and access to the UPPER FIELD. The LOWER PADDOCK is approached via the yard nearest to the modern barns. The REAR GARDEN also features a treehouse and SMALL DETACHED STONE STORE. There are attractive Victorian coach lamps, which light the driveway at night.

THE BARN

Below the top courtyard is a SECONDARY YARD, approached independently via a five-bar gate with separate pedestrian gate to one side, which leads to a range of interlinking MODERN ATCOST BARN, as shown on the accompanying floorplans. Adjacent is a third access to another very substantial STEEL FRAMED BARN, once again shown on the accompanying floorplans. These buildings offer potential for a variety of uses (subject to any necessary planning permission), possibly even a livery business or similar, keeping visitors away from the house itself.
