SITUATION & AMENITIES

Longways is situated down a no-through lane, which leads to a Hamlet of just 5 properties, and which is also initially a bridleway, turning off prior to Longways, but continuing past Longways as a public footpath leading to many miles of open countryside – ideal for dog walking/rambling. The property backs onto open fields and enjoys a good deal of seclusion and privacy. The Parish of Marwood is extensive and beautiful. Metcombe originates as far back as the Domesday Book, and translates to ‘Meadow Valley’ or ‘Hay Land’ in olde English. The village of Marwood itself is about 2 miles away and offers primary school and Marwood Hill Gardens. Barnstaple, North Devon’s regional centre and primary market town lies about 5 miles to the South, and houses the area’s main business, commercial, leisure and shopping venues, as well as Pannier Market, live theatre and District hospital. At Barnstaple there is access to the North Devon Link Road which leads on in a further 45 minutes or so to Jct.27 of the M5 Motorway. Nearby Tiverton Parkway offers a fast service train to London Paddington in just over 2 hours. In the opposite direction, the coastal resort of Ilfracombe can be reached in about 15 minutes or so. A little further afield are the popular beaches and surfing resorts at Croyde, Putsborough, Saunton (also with Championship Golf Course) and Woolacombe. The area is well served by extensive state and private schools, including West Buckland school. The nearest international airports are at Bristol and Exeter.

DESCRIPTION

Longways presents most attractive elevations of stone and painted render, beneath a slate roof. The structure follows the lay of the land and the accommodation is arranged in such a way that property can be utilised as one large family house, or two self-contained elements, with possibilities for use on the basis of dual occupation by parts of the same family or a home with income potential. Incorporated within the main structure is an integral barn, currently utilised as garaging and workshops, but with potential for conversion to yet more accommodation, subject to any necessary planning permission. The accommodation has an authentic, rustic period farmhouse ambience, and sympathetically combines modern refinements with many original period features. The current owners have utilised the property as a 2nd home. Accordingly, there is no upward chain and the majority of contents are potentially available by separate negotiation if required. The house is complemented by well-tended secluded gardens, which display many well-established specimen shrubs and trees. Within the gardens is a further detached stone barn with potential for conversion for a variety of uses, subject to planning permission. This is certainly a property which needs to be viewed internally to be fully appreciated.

DIRECTIONS

W3W/////boat.mango.cautious

From Barnstaple, leave the town in the direction of Pilton Causeway and the hospital. At the traffic lights turn left and continue for 200m, turning right into Abbey Road. At the top of the road turn left, and continue past the Windsor Arms. Continue on through the Hamlets of Prieford and Guineaford, and then Marwood itself, continuing in the direction of Ilfracombe. After a series of bends, as the road starts to climb and straighten, the entrance to Metcombe will be found on the left-hand side, shown as a bridleway. Take this farm lane and the property is the first that you come to after about ½ mile.
