SITUATION & AMENITIES

Kentisbury is a rural Civil Parish in North Devon, bordering the Exmoor National Park, consisting of three small Hamlets – Patchole, Kentisbury Ford and Kentisbury. The property is set back from a quiet, little-used country lane, in a peaceful and secluded setting, on high ground and enjoying superb views into the valley below. The property is very close to the edge of Exmoor itself, and just a short drive from the North Devon coastline. Approximately 3 miles away, the village of Combe Martin offers a variety of everyday amenities such as local shops, small supermarket, pubs, restaurants and cafes, as well as beautiful bay and beach offering coastal walks. A further 5 miles along the coast, Ilfracombe offers more comprehensive facilities, including supermarkets and live theatre. Barnstaple is around 10 miles away, and as the regional centre accommodates the area’s main business, commercial, shopping and leisure venues, as well as Pannier Market, live theatre and District hospital. Schooling in the area includes Kentisbury primary school just down the road. Further primary schools can be found in Parracombe and Combe Martin, as well as secondary schools in Ilfracombe and Barnstaple. The reputable West Buckland private school is just over 11 miles away. The nearby A39 provides access to Barnstaple and the A361, which runs onto Jct.27 of the M5 Motorway, and where Tiverton Parkway offer a fast service train to London Paddington in just over 2 hours. The nearest international airports are at Bristol and Exeter. North Devon’s famous surfing beaches at Croyde, Puttsborough, Sauntton (also a Championship Golf Course) and Woolacombe are all around 30 minutes by car. Within a healthy walking distance is Kentisbury Grange, a local hotel and restaurant. The National Trust’s Arlington Court is on the other side of the village and offers extensive acreage for rambling/dog walking.

DESCRIPTION

Middle Week presents elevations of painted stone with double glazed windows, beneath a slate roof. We understand that the property originates from the 1700s, and was built as three farm workers' cottages. The characterful and versatile accommodation combines period features such as Inglenook fireplaces, exposed beams and stone flagged floors, with more contemporary refinements including the installation of new kitchen units in 2021. Adjacent to the house is a substantial barn, currently utilised for garaging and workshop, but possibly with potential for development to provide ancillary accommodation/holiday let or similar, subject to any necessary planning permission being obtained. The property is set in just over 2 acres of secluded gardens. There are water features, a small area of copse and potential for a paddock.
