SITUATION & AMENITIES

Warren Cottage/The Bull Pen, Beara Farm is one of four structures which form an original grouping of farmhouse and former farm buildings, the majority of which has been converted in the past. Once the barn (also For Sale) next door is converted there will be four detached properties on site, all self-contained and fairly well separate from one another, ensuring a good amount of seclusion and privacy. The farm is approached off a private track, which in turn leads off Old Berrynarbor Road, which provides a link between the popular village of Berrynarbor and Hele Bay which is a suburb of Ilfracombe, around 2 miles away. Berrynarbor is a frequent 'Best Kept Village' and 'Britain in Bloom' winner and lies between Combe Martin and Ilfracombe, the village has a community Post Office/General Store, church, 13th century village inn and primary school. The coastal village of Combe Martin is around 3.7 miles away and set at the bottom of the hilly coastline, with a sheltered beach and a variety of shops. Ilfracombe provides Supermarkets, Schools, Leisure Centre, Live Theatre and Damien Hurst's 'Verity' stands proud at the entrance to the harbour. Barnstaple lies around 11.3 miles to the south and as the regional centre, houses the area's main business, commercial, leisure and shopping venues, as well as Pannier Market, Live Theatre and District Hospital. At Barnstaple there is access to the North Devon Link Road which leads on, in around 45 minutes of so, to junction 27 of the M5 Motorway and where Tiverton Parkway, also offers a fast service of trains to London Paddington in just over 2 hours.

DESCRIPTION

Warren Cottage is a detached single storey cottage, but on two levels, formerly the Bull Pen and tractor shed. The building presents elevations of render and stone, beneath a slate roof. We understand that the planning permission has a sub-clause stating that the property should not be used otherwise than for the provision of short-let holiday accommodation. 'The property shall not be occupied as a permanent dwelling, and should not be occupied by any one person for a period exceeding 28 days in any calendar year'. It should also be noted that the cottage is within the curtilage of a Grade II* listed building (the original farmhouse nearby). Although the cottage has been converted to a reasonably good specification and has been rented out for holiday use in the past, in more recent times both it and its grounds have been neglected, and therefore general improvement is required – mainly of a cosmetic nature. The adjacent modern barn has consent for conversion into a four bedroom residential property. This is also currently on the market with Stags. Furthermore, Harper's Barn (also nearby) is a detached period barn, converted into a six bedroom holiday let (the planning consent was for two self-contained holiday apartments). This is also for sale with Stags. Accordingly, there are three opportunities available – two of which are holiday restricted, whereas the modern barn has unrestricted residential consent. Accordingly, one could convert and live in the modern barn, running the other two units for holiday purposes. There is a sizeable garden being sold with the cottage, with paddock below (in all about 5.8 acres) and lovely distant sea views. Access is to the rear of the building through a glazed door into the open plan SITTING/DINING ROOM/KITCHEN with vaulted ceiling, fitted wood burner on slate hearth, exposed wooden flooring, two separate glazed doors to GARDEN. The KITCHEN zone is fitted with a good range of units in a cream theme with slate effect work surfaces, 1 ½ bowl moulded sink, Rayburn for cooking, hot water and central heating. Steps up to INNER HALL/STUDY. BEDROOM with French doors to GARDEN flanked by glazed panels, timber flooring, vaulted beamed ceiling. SHOWER ROOM with shower cubicle, low level wc, pedestal wash basin, exposed timber flooring, AIRING CUPBOARD with pre-lagged cylinder.

Within the FRONT GARDEN are a number of fruit trees. To the right-hand side of the property there is provision for parking. To the rear a small COURTYARD enclosed by a stone wall, an overgrown REAR GARDEN with a PADDOCK below.
