SITUATION & AMENITIES

Forda is small hamlet lying just outside the village of Croyde and close to the pretty and popular village of Georgeham, being extremely well positioned for access to all the main surfing beaches including Putsborough, Saunton (also a Championship Golf Course) and Woolacombe. There is also a very useful route close by in to Braunton which avoids having to travel around the point at Croyde and this gives very easy access to the main amenities of this larger village. Croyde itself is a mecca for surfers with its fabulous sandy beach, quaint thatched cottages, popular pubs, restaurants and surf shops. Georgeham benefits from general store, period Inns, Church and highly regarded primary school with excellent Ofsted report, Secondary schooling can be found in Braunton, Barnstaple or Ilfracombe with numerous independent schools within the locality including West Buckland and Kingsley. About half an hour by car is access to the A361 which in turn gives access to Junction 27 of the M5 Motorway at Tiverton and which leads on to the wider Motorway Network. Tiverton Parkway offers a fast service of trains to London Paddington in just over 2 hours. The nearest international airports are at Bristol and Exeter.

DESCRIPTION

Forda Hill Cottage presents white painted elevations beneath a slate roof with double glazed windows. We understand that the original core dates back about 400 years, but that the property has been extended in 1984 and then again in the year 2000. Internally the accommodation is generous, versatile, well presented and combines original features with 21st century refinements. It is possible to create a self-contained element, ideal for relatives or for home and income purposes, in fact the property has been run as a successful B&B by the current owners. There is also potential on the ground floor to utilise the generous study as a 6th bedroom ideal for use by those unable to negotiate the stairs/future proofing. Externally there is an excellent detached garage block built around 2010 which is of cavity wall construction and possibly suitable for conversion to detached relative/guest cottage subject to planning permission. There are also well tended secluded South-facing gardens. This is a property that needs to be viewed internally to be fully appreciated.

DIRECTIONS

W3W////////reheat.tumblers.puzzles

From Croyde proceed out of the village towards Georgeham where you will reach Forda as the road bends around to the left . The entrance to the property is immediately ahead of you and the property is identified by our for sale board.
