SITUATION & AMENITIES

Ashfield Close is a quiet, private, Residential no-through road. Summersbury is situated as you enter – just on the left, and adjoins open countryside. The property is set on high ground, and from its elevated site enjoys simply stunning, panoramic views over open countryside and towards the Taw estuary and out to sea and Hartland point in the distance. Ashford is located between Barnstaple and the glorious sandy surfing beach resorts of Croyde, Putsborough, Saunton Sands (also with Championship Golf Course) and Woolacombe. Within a short drive is the large and favoured village of Braunton, with its excellent range of facilities. As the regional centre, Barnstaple offers the area's main business, commercial, leisure and shopping venues, as well as live theatre, Pannier Market and district hospital. At Barnstaple access is gained to the North Devon Link Road A361, and this provides a fast route to the M5 Motorway at Tiverton (Jct.27), about 30 miles. There is also the Tiverton Parkway mainline railway station (London Paddington in just over 2 hours). Exeter, the Cathedral city and county town with its international airport is about 40 miles. Nearby there is also access to the Tarka Trail, providing many miles of footpaths for rambling, dog walking, cycling etc.

DESCRIPTION

Summersbury comprises a mature, detached chalet-style residence, possibly constructed during the 1960s, which presents elevations of brick and painted render, with UPVC-clad gable end and double glazed windows beneath a tiled roof. The accommodation is bright, spacious and versatile, with bedrooms on the Ground Floor, which could otherwise be used as Reception rooms but also future-proofs. Although the property is well presented, it would benefit from general updating. The house is complemented by well-tended, secluded gardens, which are also well-established and feature many specimen trees and shrubs. There is no upward chain and the contents of the property are available by separate negotiation if required.
