SITUATION & AMENITIES

The Grange lies on the outskirts of the lovely seaside town of Ilfracombe, and is set at the end of a private drive within its own secluded grounds adjoining open fields and countryside. Bicclescombe Park with its tennis courts, play area, working watermill and tea room sits at the end of the drive, whilst nearby are the wonderful sandy beaches of Woolacombe, Saunton (also a Championship Golf Course), and Croyde.

DESCRIPTION

This substantial detached Victorian character property presents painted rendered elevations with double glazing, beneath a slate roof. We understand the original core dates from the 1890s with later additions. The generous, well presented, and versatile accommodation is arranged over three storeys and includes: on the ground floor: ENTRANCE VESTIBULE, ENTRANCE HALL, SITTING ROOM, CONSERVATORY, DINING ROOM, ORANGERY, KITCHEN/BREAKFAST ROOM, EN-SUITE BEDROOM, DRYING/UTILITY ROOM, CLOAKROOM, BOILER ROOM, WET ROOM, INDOOR HEATED SWIMMING POOL & HOT TUB. First floor landing: 3 EN-SUITE BEDROOMS, 2 FURTHER BEDROOMS, SPACIOUS BATH/SHOWER ROOM. Second floor landing, 3 FURTHER BEDROOMS (1 EN-SUITE). In all a total of 9 BEDROOMS, 6 BATHROOMS plus WET ROOM. There is an ATTACHED GARAGE currently arranged as a LEISURE ROOM. There is an additional DETACHED GARAGE.

The ANNEXE is a detached two storey building, built in-keeping in the 1980s and incorporates: on the ground floor – GAMES ROOM and GARAGE/WORKSHOP. Above is a self-contained APARTMENT consisting ENTRANCE HALL, SHOWER ROOM, CLOAKROOM, LIVING ROOM, KITCHEN, 2 BEDROOMS. There is electric heating, double glazing, a designated private GARDEN, and scope to convert the loft and/or the ground floor in order to create a larger detached house or 2 apartments, subject to any necessary planning permission. Externally there is a CAR PARK and well-tended secluded grounds, including water features, WOODLANDS, PADDOCKS and sea views.

SPECIAL NOTE

The property is offered For Sale as a going concern, with the majority of the contents also available, as well as the website.

PLANNING HISTORY

We are advised that the property is freehold, and although currently operated as a self-catering holiday home or 'party house', is business rated (paying nil) but in planning terms it remains residential. We understand that until COVID interrupted business activity, the property was turning over a substantial income and profit, further details of which are available from the Selling Agents upon request.

We understand that the ANNEXE may have consent as a separate residential property, as opposed to ancillary accommodation. Residential Council Tax is paid on this. It is currently used by relatives but could produce additional income, or potentially be used as owner's accommodation, particularly if it is redeveloped subject to any necessary planning permission. The property is being sold because the vendors wish to retire.

In terms of ongoing use, the property could be one of the finest residential homes in Ilfracombe, or possibly (subject to any necessary planning consent) a boutique hotel, possible health resort/spa, retreat, wedding venue, residential training centre, headquarters with accommodation and leisure facilities, consortium purchase for residential and commercial use, dual occupation or multi-generational occupation, care home, base for sporting pursuits, continue as a holiday let, possibly themed such as cookery/artists etc – the list goes on.

A heat recovery ventilation system runs throughout the house and solar PV panels on the roof supplement the electricity supply, providing a feed-in tariff to the National Grid. The house includes a 3-phase electricity cable, which can be connected to give more flexibility and to support additional solar panels for the swimming pool heating system. The main house and annexe have separate electricity supplies. Drainage is to a private system. Otherwise there is mains electricity, gas and water.
