Other amenities include local shops with Delicatessen/Post Office/Café, Hotel, Primary School and a variety of Pubs and Restaurants. At the far end of the Village is the Cricket Club and there are regular bus routes to local towns as well as a ferry to Appledore across the Estuary. The port and market town of Bideford is about 3.5 miles away and offers a wider range of amenities. The sandy beach of Westward Ho! is a further few miles and backs onto the Northam Burrow Country Park and Royal North Devon Golf Club (the oldest in the UK). From Barnstaple – about 6.5 miles away – there is access to the North Devon Link road which leads through to Junction 27 of the M5 Motorway in about 45 minutes or so. From there is access to Tiverton Parkway where London Paddington can be reached in just over 2 hours. As the Regional Centre, Barnstaple offers the area's main Business/Commercial/Leisure and Shopping venues, as well as live Theatre and District Hospital. About half an hour by car are the surfing beaches of Saunton (also a Championship Golf Course), Croyde, Woolacombe and Putsborough, as well as Exmoor National Park and the Cornish border. There are a number of reputable Private Schools within the area, including Kingsley at Bideford and West Buckland. The nearest International Airports are at Exeter and Bristol.

DESCRIPTION

This charming, period property presents elevations of painted render beneath a slate roof. It is attached to No.2 Rose Cottages, which in turn is attached to a former Methodist Chapel. Although perfectly habitable, the property requires general updating. The accommodation is versatile and can provide 3 bedrooms and 2 reception rooms or 3 reception rooms and 2 bedrooms. There is an attic room which may have potential to develop as additional accommodation, subject to any necessary planning permission. There is a delightful garden at the front of the property, and from this and the cottage itself there are wonderful views over the beach and estuary. The property is within the village Conservation Area. The cottage is considered to be ideal as principal residence, 2nd home, holiday let, UK base or a combination of these uses.
