DESCRIPTION

VIRTUAL TOUR AVAILABLE... Situated in a modern development at the heart of this highly desirable village, this detached family home offers light, spacious, and versatile internal accommodation. It benefits from gas central heating and UPVC double glazing. The internal accommodation briefly comprises a generously sized entrance hall with a cloakroom WC, a living room with French doors opening to the rear garden, a sitting room, a study, and an open-plan kitchen/dining room fitted with gloss white wall, base, and drawer units, along with an adjoining utility room. The first-floor landing provides access to the family bathroom and four double bedrooms. The principal bedroom features a dressing room and an ensuite bathroom, while the guest bedroom has an ensuite shower room. Externally, the front of the property boasts a lawn and a well-stocked shrub garden, with a driveway offering ample off-road parking leading to a detached double garage with electric roller doors. Timber access along the side of the property leads to the well-presented rear garden. The garden features a central lawn, sleeper-raised planters, a paved patio running along the rear of the property, and a decked patio area with a timber house situated at the rear.

LOCATION

The property is located in the sought after and family friendly village of Higher Kinnerton, the village is a short drive from of Chester and within easy access to Chester Business Park, Airbus, the A55 and the motorway, allowing daily commuting to the various commercial and industrial centres. The property is also within easy commuting distance of Wrexham and Mold. The village centre provides day to day shopping facilities, social amenities, including a very popular coffee shop, an excellent primary school, general store, post office, two public houses, church and children's play park, with regular public transport into Chester city centre. There are excellent shopping facilities at Broughton Retail Park, with its cinema complex, restaurants, a Tesco superstore and a range of High Street shopping outlets.

Arrive: 18 Cae Babilon, Higher Kinnerton, Chester, UK.

ENTRANCE HALL

15'3" x 8'6"

A composite double-glazed front door opens to an inviting entrance hall with Karndean flooring and a radiator. The entrance hall features stairs with spindle balustrades rising to the first-floor accommodation and a storage cupboard beneath. Doors open to the living room, sitting room, study, cloakroom WC, and a partially glazed door leading to the open-plan kitchen/dining room.

CLOAKROOM WC

The cloakroom is fitted with a white dual flush low-level WC and a wash hand basin with a mixer tap. It also includes a radiator and an opaque window facing the front elevation.

STUDY

12'2" x 6'7"

The Study features a window facing the front elevation and a radiator below.

LIVING ROOM

12'2" x 16'6"

The living room features two radiators, a window facing the side elevation, and UPVC double-glazed French doors opening to the rear garden.

SITTING ROOM

11'8" x 9'4"

The sitting room features a bay window to the front elevation with a radiator positioned below it. A door opens into the kitchen/dining room from the sitting room.

KITCHEN/DINING ROOM

21'0" x 14'3"

The kitchen/dining room features Karndean flooring that flows in from the entrance hall, creating a seamless transition. It includes a radiator and a bay window facing the rear elevation. In the kitchen area, there is a window also facing the rear elevation. The kitchen is equipped with a range of gloss white wall, base, and drawer units complemented by stainless steel handles. Ample work surface space houses a stainless steel half sink unit with a mixer tap. Integrated appliances consist of a stainless steel oven, a six-ring gas hob with a stainless steel splashback, and an extractor hood above. Additional integrated appliances include a dishwasher and a fridge freezer. Recessed downlights in the ceiling provide illumination. A door opens to the utility room from this area.

UTILITY ROOM

8'2" x 4'8"

The utility room is fitted with units that match those in the kitchen, with a work surface housing a stainless steel single bowl sink unit and mixer tap. There is space and plumbing for a washing machine, along with a cupboard housing the gas boiler. The room also features a radiator, Karndean flooring, and a double-glazed door that opens to the side elevation of the property.

FIRST FLOOR LANDING

The landing continues the spindle balustrades banister from the entrance hall and features a radiator. It includes a built-in double-door cupboard housing the pressurised hot water cylinder. Access to the loft is provided, and there are doors leading to all four bedrooms. The principal bedroom includes a dressing room and an ensuite bathroom, while the guest room features an ensuite shower room.

PRINCIPAL BEDROOM

16'5" x 11'6" max

The principal bedroom is a double-aspect room featuring windows on both the front and side elevations. It includes a radiator for warmth and has an open throughway leading to a dressing room.

DRESSING ROOM

10'8" x 3'2"

The dressing room is fitted with floor-to-ceiling wardrobes on either side, featuring mirror inserts into the doors. It includes a radiator for comfort, a window facing the rear elevation, and a door that opens into the ensuite bathroom.

ENSUITE BATHROOM

6'7" x 8'2"

The ensuite bathroom is equipped with a four-piece white suite, which includes a panel bath with a mixer tap, a double shower enclosure with a thermostatic shower, a dual flush low-level WC, and a pedestal wash hand basin. The walls are partially tiled, and there is a heated towel rail for convenience. An extractor fan is installed within the wall, and an opaque window faces the rear elevation, providing natural light.

BEDROOM TWO

11'4" x 10'2"

The second bedroom features two windows facing the rear elevation, a radiator for warmth, and a triple-door wardrobe with chrome handles. It also includes an internal door that opens to the ensuite shower room.

ENSUITE SHOWER ROOM

The ensuite shower room is equipped with a double shower enclosure featuring a thermostatic shower, a dual flush low-level WC, and a pedestal wash basin with a mixer tap. The walls are partially tiled, and there is a heated towel rail for convenience. Natural light comes through an opaque window facing the side elevation.

BEDROOM THREE

11'7" x 10'3"

The third bedroom features a window facing the front elevation and radiator below.

BEDROOM FOUR

10'8" x 9'3"

The fourth bedroom also features a window facing the front elevation, with a radiator positioned below.

FAMILY BATHROOM

7'2" x 6'3"

The bathroom is fitted with a white four-piece suite, which includes a pedestal bath with a mixer tap, a separate shower

enclosure with a thermostatic shower, a dual flush low-level WC, and a pedestal wash basin. The walls are partially tiled for a clean finish, and there is a heated towel rail for comfort. Natural light enters through a window facing the rear elevation.

GARAGE

To the left-hand side of the property, there is a detached double garage that features power and lighting. Access to the garage is provided by one of two single electric roller garage doors

EXTERNALLY

To the front of the property, there is a small, well-stocked lawn and shrub garden, with a pathway leading to a storm porch that features an external light. This pathway continues around the side of the property through a timber gate, providing access to the rear garden. The rear garden is predominantly laid to lawn, with a paved patio directly off the rear elevation of the main property and a second decked patio area towards the rear, where a timber summer house is situated. Sleeper raised planters along the rear of the garden are filled with a variety of plants, shrubs, and trees. The garden is equipped with outside lighting and a water supply for convenience.
