A wonderful opportunity to purchase a delightful semi detached three bedroom home, which offers well laid out and contemporary accommodation with views over the adjoining countryside and presented to the market with the bonus of no onward chain. The property is set back from the road, in a small quiet cul de sac and within walking distance to the village centre. The property is located on the fringe of the popular Somerset village of Henstridge, which boasts a local shop with post office, two public houses, both serving food, a highly rated primary school and a church. The village also has good communication links with the A30 being close by providing easy access to Shaftesbury and Sherborne plus a mainline train station just three miles away at Templecombe. The property has been a much loved home to our seller for the last eleven years. During this time it has been very well maintained and improved with new uPVC windows and doors in 2021 and the heating has been upgraded to individually, thematically controlled electric radiators on the ground floor. The garden has also been landscaped for easy maintenance and provides a pleasing and private outside space that adjoins countryside. This lovely property offers a great first time buy or first time family home as well as fulfilling many other needs. A viewing is urged to really see what this home provides.

The accommodation consists of entrance hall, sitting room, which opens into the dining area and kitchen that is fitted with a range of storage cupboards and space for appliances. On the first floor there is the bathroom and three good sized bedrooms. Outside, there is parking for two cars, garage with light and power plus garden that is landscaped for easy maintenance.
