

Ham Meadow
Marnhull

Guide Price
£450,000

A well proportioned detached bungalow with three double bedrooms, offered for sale with no onward chain and enjoying a peaceful cul-de-sac position at the end of a no through road. This property enjoys a quiet location in an extremely sought after part of the village and is within walking distance to the village centre, where there is a public house, convenience store with post office and hairdressers. A little further on is the village hall, which hosts a variety of events from social to sporting. The village also boasts a doctors' surgery with pharmacy, further shop with post office, two primary schools and three churches. There are some lovely walks within a very short distance of the property too. We believe that the property was built in the early 1980s and has been a very much cherished and loved home for the last twenty six years. During this time the property has been well maintained and provides comfortable accommodation with the choice to update to one's own taste, as and when. This lovely home benefits from uPVC double glazing with the windows having a painted stone mullion plus there is gas fired central heating and lots of loft storage space. The property also has the advantage of wholly owned solar panels. The bungalow has an easy to use layout with flexible room usage and must be viewed to truly appreciate the size of the accommodation - inside and outside - as well as the location. An early viewing is urged to avoid missing out on the chance to be the next owner.

The accommodation consists of spacious and welcoming L shaped entrance hall, large bright L shaped sitting/dining room with feature fireplace and kitchen fitted with plenty of cupboards and some built in appliances. There are three double bedrooms (one is currently used as the dining room) and a shower room. Outside, there is a long drive with space to park about three cars, good sized garage with power plus generously sized front and rear gardens. DRAFT DETAILS
