Salisbury Street  
Marnhull

Guide Price  
£250,000

An appealing semi detached stone cottage situated on the fringe of the popular and well served village of Marnhull which offers day to day facilities including butchers, hairdresser, convenience stores, doctors' surgery with pharmacy and choice of public houses. We believe that the property dates to the 1830's and at one time the row of cottages were owned by the same family, this particular cottage has been home to our sellers for the last seven years. A viewing is definitely a must to truly appreciate just how this home suits a variety of criteria - from full time main home, weekend retreat or an Air B+B.

In brief, the ground floor accommodation consists of entrance hall with storage cupboards, combined sitting and dining room with inglenook fireplace and window seats, kitchen and bathroom. On the first floor there is a landing with study area and view over countryside to the side, and two double sized bedrooms both with window seats and some degree of countryside views, one boasting a lovely Victorian style fireplace. Outside there is an enclosed courtyard garden with enough space for patio furniture, pot plants and bins.
