Wimbles, Toldish Hall Road, Great Maplestead, Essex, CO9 2QZ

Wimbles is a substantial detached Grade II listed property and enjoys a superb location on a designated quiet lane within this popular and sought after village, nestled within grounds of 3.71 acres (sts). The property displays some fine original period detailing to include open fireplaces, a Georgian staircase, exposed floorboards and tiled floors. This is the first time that the property has been to the market in approximately 60 years and as such represents a truly unique opportunity for a potential purchaser. It is worth noting that the property requires significant updating and modernisation.

An attractive entrance porch with carved barge boards accesses a pair of panelled and glazed doors which opens to the reception hall, which is an inviting space and has a black and red tiled floor and a beautiful Georgian staircase with scalloped over hang rising to the first floor. The sitting room is situated on the south side of the property and benefits from a dual aspect and a large bay window giving views to the garden and an attractive red brick fireplace with curved back and brick hearth.

The dining room is also accessed directly from the reception hall and has a bay window to the front elevation giving views to the garden and a red brick chimney breast provides a focal point, which is flanked by arch top Georgian recesses and cupboards. The kitchen is directly accessed from the dining room and is fitted with a range of floor mounted units, a white enamel Aga, single bowl stainless steel sink and plumbing for a dishwasher. There are servants’ stairs rising to the first floor from the kitchen with an understairs cupboard and a square arch opens to a butler’s pantry which has the original worktops and storage cupboards. Glazed French doors from the kitchen access a particularly useful addition in the form of a breakfast room, which has views to the grounds and a door giving access at the rear. To the side of the kitchen is a useful utility area which has plumbing for a washing machine, a water softener and several storage cupboards. Adjacent to this, and also accessed via the reception hall, is a ground floor wet room with a WC and to the outside of the wet room is a sink.

A glazed and panelled door from the utility room accesses a conservatory which has a south and easterly aspect and French doors opening to the garden. The second door from the utility room directly opens to a boot room which has original brick flooring and a large storage cupboard. Beyond this, directly accessed via a panelled door, is a particularly useful studio which has brick flooring, French doors to the garden and a window to the rear giving views, and a second door leading to a small courtyard at the rear of the kitchen accesses the adjacent store. There is also a further storage room to the rear of the kitchen and utility room.

The first floor is equally appealing with the stairs reaching an impressive galleried landing which has original oak floorboards from where all the bedrooms are accessed. The principal bedroom is above the sitting room and has a dual aspect and a bay window to the south east, a corner wardrobe and beautiful oak floor boards. The guest bedroom is situated to the rear of the property and has a dual aspect with views to the grounds and the woodland and is also adjacent to an ensuite cloakroom. There are three further bedrooms all situated to the front elevation, two of which have built in wardrobes and one has a large bay window, these are all served by a shower room with a corner shower cubicle, sink, vanity unit and a matching WC.

There is also a second bathroom to the rear of the property with a matching suite. There is a large inner landing with extensive storage space.

Outside

Wimbles is accessed via a carriage drive and is screened by mature yew hedging and topiarised shrubs to the front and there is an extensive area of gravel parking and to the south is a large area of hard standing leading to the double cart shed.
