South Barn, Braintree Road, Shalford, Essex, CM7 4QY

South Barn is a stunning and contemporary conversion of a former farm dwelling enjoying a peaceful rural location adjacent to an attractive listed farmhouse. The property has attractive mixed elevations of vertical and horizontal cladding, brick elevations and rendered sections. A covered porch with stone hearth leads to the entrance door which is flanked by a floor to ceiling window. The entrance hall has appealing large porcelain tiles and an oak staircase rising to the first floor, beneath which is useful storage space and the controls for the underfloor heating system. A door accesses a spacious and well appointed cloakroom with a rectangular sink on a vanity unit with storage beneath, and a matching WC.

French doors then access the semi open plan living/dining area which is flooded with light and has porcelain tiling throughout, with a dividing wall separating the living area from the kitchen/dining area. The kitchen/dining area is particularly inviting and has full width bifold doors to a west facing terrace making it ideal for family entertaining. The kitchen is extensively fitted with a range of floor and wall mounted units with quartz tops and upstands, and integral appliances to include a ‘Bosch’ oven and hob with an extractor hood above, and an integral dishwasher and there is a large breakfast bar adjacent to the dining area. A door from the kitchen accesses a well laid out utility room which has extensive storage, quartz worktops and upstands, a single bowl sink, plumbing for a washing machine and space for a tumble dryer. There is a glass door which accesses the rear terrace and garden.

The first floor is equally appealing and has attractive barrel vaulted ceilings throughout all the rooms with some of the original barn framework on display. The principal bedroom is situated on the southerly elevation and has French doors with a Juliet balcony flanked by a glazed window overlooking the rear garden. A door accesses a spacious and well appointed ensuite shower room which has a fully tiled oversized walk in shower cubicle, rectangular sink on a vanity unit and a matching WC. There are three further generously proportioned double bedrooms which are served by a lavishly appointed family bath/shower room which has a large oversized walk in shower cubicle, free standing oval ended bath, rectangular sink and a vanity unit and matching WC.

Outside

The property is approached via a gravel drive which provides extensive parking and in turn leads to the front door and the boundary is defined by attractive metal estate fencing. The rear garden is generously proportioned and benefits from a westerly aspect allowing the occupants to take advantage of the afternoon and evening sunshine. There is a full width sandstone terrace immediately to the rear of the house which is perfect for entertaining and an attractive red brick wall providing a high degree of privacy. Beyond this are large expanses of lawn with the oil tank situated at the rear of the garden, and the boundaries are defined by hit and miss fencing. To the front metal estate fencing will define the boundary.
