SITUATION

The popular North Devon village of Kings Nympton is located in the heart of the rural Devon countryside, just above the Mole Valley. The village itself was awarded a best kept village award by the CPRE and offers a village hall, a parish church, a primary school and a good local pub which was awarded the 'North Devon Branch Pub of the Year in 2016'. The nearby village of Chulmleigh, approximately 5 miles, offers a further range of local shops and facilities including a bakers, dairy, florist, newsagent, and tandoori restaurant, along with both a primary and secondary school/community college, health centre, dental surgery, post office, bank, Church, library, two public houses and a short 18 hole golf course.

The market town of South Molton to the north and Crediton to the south both offer a more comprehensive range of facilities and amenities, while the local railway stations at Kings Nympton & Eggesford, 3 miles, provides a rail link between Exeter and Barnstaple. Road link is via the A377 or the North Devon Link Road, which can be easily accessed at South Molton. There are excellent recreational and sporting facilities in the area with a Community Run Sports Centre in Chulmleigh and further Leisure Centres at South Molton and Barnstaple, near-by tennis courts and clubs, fishing in the rivers Taw and Torridge, further golf courses at Libbaton, High Bullen and Down St Mary, excellent walking and riding in all directions, and sailing and water sports on North Devon's scenic and rugged coastline, being approximately three-quarters of an hour's drive.

DESCRIPTION

A most attractive detached character cottage situated in the popular North Devon village of Kings Nympton, being of traditional stone and cob construction under a tiled roof with rendered and colour washed elevations and uPVC double glazing throughout. Internally the property offers all the character and charm one would expect from a property of this style and period including the original exposed stone fireplace in the Sitting Room housing a 'Woodwarm' wood burner, traditional beamed ceilings in many of the rooms and the original bread oven recess in the Sitting Room. Modern additions include a well fitted Kitchen, electric heating throughout and a positive input ventilation system in the loft which provides clean, filtered air to the house and also maintains a consistent temperature in the house reducing condensation. Outside and on the opposite side of the road from the cottage there is off-road parking for two cars whilst at the side and rear of the parking area, there are pretty cottage gardens and a secluded paved Patio Area. At the end of the parking area there are two block built Storage Sheds/Workshops creating a really useful addition to the property.
