

whiteley helyar

1,203 ft²

2 bedrooms

2 bathrooms

2 private
car spaces

Guide Price £600,000

4 Columbus House, Trossachs Drive, Bath, BA2 6RP

A fabulous, spacious and elegant apartment in this wonderful detached Mansion, built in 1846 and cleverly converted into apartments some 25 years ago by Future Heritage. Occupying a prime position on the first floor of the original part of the building, the flat benefits from a small roof terrace, wonderful views and 2 private car parking spaces.

ACCOMMODATION

2 double bedrooms
large double-aspect sitting room
gas fired heating

bathroom and en-suite shower room
kitchen/breakfast room

EXTERNALLY

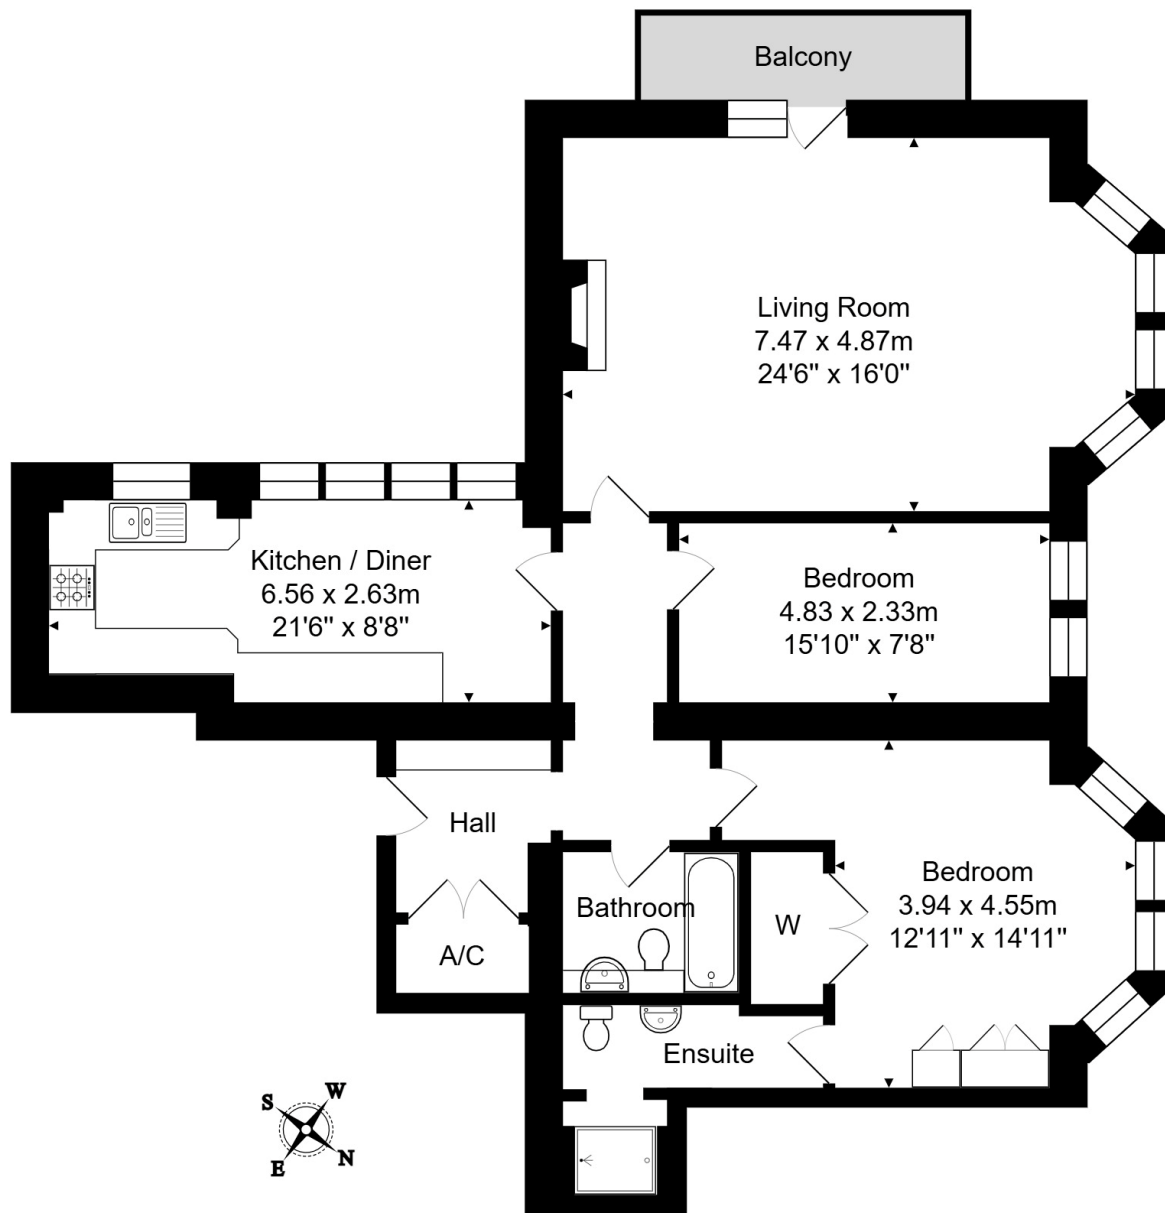

In addition to the small roof terrace off the sitting room, the owners have use of the extensive and well maintained communal gardens and grounds. There are 2 private parking spaces, with further allocated visitors bays, as well as a refuse/bike store area and dedicated storage area in the basement located below the main hall stairs.

LOCATION

Columbus House is very well situated in this highly desirable area of Bath, between Bathampton and Bathwick. Surrounded by private lawns, woodland and landscaped gardens, the house is situated up a private sweeping, tree-lined driveway. The location is extremely sought after due to its peaceful setting and the close proximity of the city centre - with the railway station, Bath Rugby and countless shops and amenities all just over a mile away. Buses run from the end of the road and lovely strolls around Sydney Gardens, along the Kennett and Avon Canal towpath, or through fantastic National Trust Woodland and fields are all close at hand.

Total Area: 111.8 m² ... 1203 ft² (excluding balcony)

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement.

This plan is purely for illustrative purposes only and should be used as such by any prospective purchaser.

Area includes internal and external wall thickness
