A four-to-six-bedroom semi-detached home including an annex if required. Located on a popular Private Road within the village of Row Town. Internally this is an interesting and spacious home with over 2000ft² of living space. On the first floor there are four bedrooms and two bathrooms. The main bedroom is massive and has built-in wardrobes, a dressing room and a large en suite. There is a further family bathroom and three further bedrooms all with built-in wardrobes. There are also two lofts both with accessible hatches and pull-down ladders. On the ground floor there are currently two bedrooms with the use of a ground floor shower room. This has been well set up by the current owners who currently rent out the rooms to generate additional income. For the future this would make a great annex set up if needed or could be converted back into additional living space for the main home. On top of these rooms there are two large reception rooms plus a wide kitchen that spans most of the width at the rear of the home. Externally you have a large driveway to the front of the home giving off street parking for multiple cars. To the rear is an easterly facing garden with mature screening, patio and lawn. There is plenty of additional space to the side of the house with further potential to extend subject to the normal permissions. A great location within Row Town set within the private road of Chaucer Way. The local village is close by with a selection of handy shops including a Co-op and a popular Indian restaurant. There are two local primary schools in the village, a popular bistro pub and an excellent garden centre just down the hill. There is also a good selection of secondary schools within a reasonable distance. Row Town is a popular choice for family buyers who need good road links as there is good access to the M25 and A3 nearby. EPC Rating E.
