39 Salisbury Road

Walmer, Deal

An immaculate detached family home on a generous plot offering spacious and impeccably maintained accommodation.

Situation

Salisbury Road is situated in Upper Walmer, a highly regarded area within close proximity of convenient and essential facilities, including grocery stores, a doctors surgery, chemist, comprehensive bus routes and a mainline railway station linking to the high speed service to London St Pancras. Historic Walmer Castle and the seaford are less than a mile away, with a pebble shoreline, popular promenade and cycle path stretching between Deal and Kingsdown. Deal is a thriving traditional seaside town, providing a wide range of amenities including an award winning high street with an eclectic mix of individual shops, restaurants and cafes, an interesting seaford, Grade II listed pier and fascinating historic quarter. The town not only has period charm but also a flourishing community and arts scene.

The Property

Beyond the handsome double bay fronted exterior lies a deceptively spacious and lovingly maintained family home having been extended and updated throughout by the present owners. The accommodation is both generous and plentiful with two principal reception rooms as well as a reception hall and comprehensively fitted kitchen/breakfast room. The layout offers great versatility with two of the four double bedrooms occupying the ground floor, both having built in storage and the master enjoying an ensuite shower room. There is also a luxurious fully tiled bathroom with separate walk in shower enclosure. Rising to the first floor, via a light filled stairwell, are the two remaining double bedrooms with large Velux windows and eaves storage access including loft space. This beautifully presented and well planned home has been finished to a high standard and is double glazed and gas centrally heated.

Outside

To front a generous block paved driveway offers ample parking and access to a single garage whilst a striking brick built raised bed with central steps lead up to the front entrance. A beautifully landscaped garden lies to rear where two areas of lawn, block paved patios and gravel pathways are harmoniously combined into sweeping curves and interspersed with low brick walls and a planted raised bed. A greenhouse occupies a rear corner and there is also a timber garden shed.

Services

All mains services are understood to be connected to the property.
