The Penthouse

26 The Beach, Walmer, Deal

A beautiful penthouse apartment providing modern and stylish accommodation, situated in a unique marine front residence, with breathtaking sea views.

Situation

Number 26 forms one of several Victorian and Edwardian seaside villas which line the beach facing the seafront and built to maximise their view of the sea. Walmer seafront, with its two-mile pebble shore line, extends from Deal Castle to Walmer's southern boundary, where it is overshadowed by the White Cliffs. A well-used promenade, cycle path and green separates these properties from the steeply shelved pebble beach where a multitude of informal recreational activities are enjoyed, not least with Downs Sailing Club nearby. Deal town centre to the north has a range of specialist shops and restaurants along with a growing cafe culture, the seafront pier, Castle and historic quarter. Rail services are well catered for with a high speed link to St Pancras International from Deal and Walmer along with access to the Cathedral city of Canterbury, approximately 16 mile distance, and links to the national motorway network.

domed skylight, adjoins the attractive living room featuring front-facing window to maximise the breathtaking sea views. The living room features a picturesque reading nook by the window as well as exposed wooden beams which enhance the character of the space. The contemporary fitted galley kitchen is equipped with an array integrated cooking appliances, high gloss units and ample storage space whilst a rear staircase leads to useful utility facilities with plumbing for a washing machine. Externally street parking is plentiful and unrestricted on the surrounding roads.

Services

All mains services are understood to be connected to the property.

The Property

The Penthouse is a beautifully presented top floor apartment boasting stunning views of the seafront as well as over the rooftops of Walmer and beyond. It is one of five apartments situated in a substantial semi-detached Victorian building originating from 1881, having undergone external redecoration and a new roof. The apartment occupies the upper top floor and is accessed via the front communal vestibule, with entryphone system, through to a grand galleried staircase incorporating original solid chestnut railings and handrails leading to all floors. Upon entering, a stairwell leads to a light and airy landing through to a modern wet room whereby storage opportunities have been maximised and a modern efficient low energy electric heating system installed. An exquisite master bedroom with ample built in wardrobe space and spectacular glass
