Barley Fields

Chapel Lane, Ashley, Dover

A recently built detached family home showcasing contemporary accommodation, enjoying a generous and secluded plot within this picturesque rural hamlet.

Situation

Ashley is located in the parish of Sutton some five miles north of Dover on the summit of Gants Hill. This rural hamlet runs almost seamlessly into the neighbouring village of Studdal and the A256 passes to the west providing convenient access to the larger towns and the southern motorway network. Whitfield lies to the south with main brand superstores and beyond this the harbour town of Dover has an impressive marina, ferry service to the continent and mainline railway station including the Javelin high speed link to London St Pancras. The thriving Cathedral City of Canterbury is just 20 minutes by car.

The Property

Set centrally within its own generous and secluded gardens lies "Barley Fields", a contemporary detached family home, completed in 2022, boasting spacious and thoughtfully designed accommodation in an idyllic rural location. The light entrance hallway, with useful cloakroom, is flanked by the two generous reception spaces. A handsome dual aspect sitting room lies to the left complete with fully lined chimney and fireplace plus French doors opening onto the patio. To the right is an enviable triple aspect kitchen/dining room fitted with a sleek range of coloured units and integrated dishwasher and cooking appliances. To the first floor four double bedrooms are arranged around the spacious central landing and are serviced by a beautifully fitted family bathroom and an equally striking ensuite shower room to the principal bedroom. Having been thoroughly insulated this modern home boasts impressive thermal credentials and is also fully double glazed plus underfloor heating features throughout the ground floor.

Outside

The front garden is designed for low maintenance, featuring a large area of hardstanding, along with an additional curved lawn section. The property boasts generous parking for multiple vehicles and includes a detached double garage, measuring 19' 0" x 15' 5" (5.79m x 4.70m) with power, lighting and electric roller doors installed. The generous rear gardens wrap around three sides of the property, offering a deceptively spacious outdoor area. Primarily laid to a well-maintained lawn, the gardens include a sizable patio area at the rear, enclosed by a high timber fence and surrounded by mature trees, providing exceptional privacy. A garden shed is included.
