Moresby Park Farm Moresby Parks Road

Moresby Parks, Whitehaven

Nestled on the edge of Moresby Parks and just minutes from the coast and nearby Whitehaven, Moresby Parks Farm is a charming four-bedroom period farmhouse with generous gardens and an attached barn offering huge potential. The current owners have already completed some significant works, meaning the property is move-in ready while still allowing the next owner to add their own finishing touches.

The traditional layout is ideal for family life, with well-proportioned rooms throughout. The ground floor features a spacious entrance porch and hallway, a large dual-aspect lounge, a stylish and modern kitchen with walk-in pantry, a full ground floor bathroom, and a utility room which connects directly into the adjoining barn. Upstairs, there are four bedrooms, a shower room, and separate WC.

One of the standout features of this property is the **adjoining barn**, accessible both independently and from within the house. This impressive space could be converted into additional living accommodation, a holiday let, or an annexe for a relative (subject to planning). It's a blank canvas with character and scope.

Externally, the property boasts ample outdoor space to match its internal potential. There's generous private parking both to the front and rear, including space for 3-4 vehicles. The barn benefits from new electric roller doors, ideal for use as a workshop, garage, or secure business storage. Beyond the courtyard sits a large, enclosed garden with level lawn – perfect for children, pets, or entertaining.
