DESCRIPTION

Lambert & Foster are delighted to bring to the market this beautifully renovated four-bedroom Grade II Listed farmhouse set in approximately 1.5 acres of gardens and wood, blending period charm with modern luxury. This wonderful family home offers spacious living, a triple car port, and sweeping gardens in a rural setting.

The Farm House, which benefits from more than 2,640 sq. ft. of internal living space over two floors, is an attractively presented four-bedroom detached family home approached via a generous driveway with a large gravel parking area offering ample parking for several cars.

On the ground floor you find a kitchen/dining room, a sitting room, playroom, bathroom and office (with fibre optic broadband available) while on the first floor there are four double bedrooms, two of which have ensuite shower rooms, and a family bathroom.

The house has been thoughtfully renovated to an excellent standard throughout. The heart of the home is a striking modern kitchen with sleek bespoke wall and floor cabinetry, integrated appliances including wall mounted ovens, and a fantastic layout that flows seamlessly into the dining and living spaces. Period features, including exposed beams and brickwork, have been carefully retained to complement the contemporary updates, creating an inviting blend of character and comfort.

The accommodation offers flexibility for family living, with bright and spacious reception rooms, four well-proportioned bedrooms, and stylish bathrooms. Attention to detail is evident throughout, with neutral décor and high-quality finishes making this an immediately welcoming home.
